We have no parameters—as in you can have any item you wish embroidered in any color you choose

You can either bring in your own items or order items from the following sites (not limited to just these sites):

- <https://www.sanmar.com>
- <https://www.alphabroder.com/>
- <https://www.landway.com> The most popular jacket on this site is 9901

Cost: As of 01-17-19: \$9.50 / item plus cost of the item

Please note the following:

- Logo size is 3” x 2”
- Logo is usually placed on the left side, left shoulder or back by the collar
- Logo will fit on a hat
- The item must be able to fit on a hoop—some pockets are too small to have a logo embroidered on, so the pocket may have to be sewed shut or you may have to change the location of where you would like the logo
- It usually takes 1-2 weeks, depending upon the shipping of an item
- It usually takes about 1 week if you bring in your own item
